School-enterprise cooperation project for Indonesian students

Yangzhou Polytechnic College

Yangzhou Polytechnic College cooperates with a leading domestic textile enterprise to develop cross-border talent training program. According to the needs of the enterprise's Indonesian factory, it is planned to recruit Indonesian students in China, who will be jointly trained by Yangzhou Polytechnic College and the company. At the end of the study, students can be priorly admitted as a regular employee of the factory in Semarang. During the study, training expenses and living allowances will be borne by the enterprise.

Student requirement:

1. Indonesian students who have studied Chinese for over one year in China, or have obtained a Chinese college diploma or above, and their majors are not limited.
2. At least 18 years old, no bad Entry and Exit records

Training time: 6 months

Admission method: qualification review, online interview

Whoever Interested can contact the School of International Exchange, Yangzhou Polytechnic College.
